X.a.i Solicitors/Peddlers

TLV Ordinance states that solicitors must get a city permit and observer homeowners "no soliciting" requests, i.e., signs. Some of these people are not following that ordinance and some are not with the company or organization they claim to represent. Lakeview police recommend that people don't engage, but if their persistent call the police. They do not have "no soliciting" signs that KW could post. They are available for purchase and posting. Can the city stop the free newpaper deliveries? City manager recommended bringing it up at a TLV city meeting.
